Retro style, modern technology

Since 1932, Roberts has specialised in audio products that look sensational, celebrate iconic mid century British design and deliver a super sound.

Our products may look vintage on the outside but on the inside we have the latest audio and radio technology.

Roberts is proud to have been granted Royal Warrants from the Queen and the Prince of Wales in recognition of supplying the highest standard of radios to each of these Royal Households.

DAB+ Radio

Whether you are looking for a portable DAB+ radio to take pride of place in your home, or take on the go, there is a design for you in our digital range.

DAB+ increases your radio listening and enjoyment.

With DAB+ you can enjoy more choice of digital radio stations and it's easy to scroll and switch between those stations.

With a better sound quality and no more hiss and crackle you can also enjoy a better radio experience.
